Hey Everybody,

It's February the month of chocolate and flowers. Don't forget that special someone. On January 2nd, 17 members began the new year by attending Chapter A's gathering at their new location. They now meet at the Golden Corral at Arundel Mills. A Chapter ride planned to go snow tubing was cancelled. Cool font no longer has snow tubing. In January Chapter "C" members met up once again for our ice cream gathering at Sweet Thoughts. What we didn't know was that it would be the last time to meet there. They are unfortunately closing their store. We will let everyone know where we will meet on the second Tuesday of every month. Eleven "C" members met up with Chapter A & J to bid farewell to John and Lee Penner, the owners of Sweet Thoughts. Chapter "C" presented them with a plaque and Chapter A gave them sweat shirts, Friends of GWRRA, with a logo of a wing. They also brought a sheet cake for everyone to enjoy. We will really miss meeting there. Our January gathering was once again a good turn out. A big thanks to Chapter "C" members for your continuing support by attending gatherings even in the off riding season. We all got that chance to blow our own horn. Debbie handed out party noise makers for extra prize drawings. Yes, we got a little noisy. The lucky winners were Gloria Alchin, and Bonnie Leita. The winner of the 50/50 was new member Ruth Johnson. George Ward was the winner of the free breakfast for the third time in a row. Special awards were presented to Carole Michaelson for her many years as secretary for Chapter "C". Debbie Harvey also received a certificate of appreciation for her contributions as chapter director, phone tree, ride coordinator and newsletter editor. Next up was our trip to Ocean City for Winter Thing. It was not only enjoyable, but profitable for some. Gloria Alchin was a 50/50 drawing winner. Our own Cathi Anderson won the grand prize drawing. Dave Pumphrey and Gloria Alchin received and Maryland District Directors award. It read an appreciation for outstanding contributions to all GWRRA members. Congratulations to you both on your well deserved recognition. George Heffner won in the Chapter games competition. Dave and myself attended the beginners and advanced course on GPS. Fun was had by all and the Mardi Gras theme was especially fun. Our Thursday garage meeting was spent working on Greg Gobles wing. We managed to get the wing running. Now hopefully it will put Greg and Joan back on the road again. Even with low temperatures outside, we still had 20 members attend the garage meeting. Thanks Gloria for making chili, bean soup, and hot dogs. Thanks to everyone for bringing those delicious deserts.

Just a reminder: There will be upcoming changes on the ride schedule. Start getting your bikes ready because riding season is just around the corner.

Till we meet again
Butch and Debbie Harvey.

From the Assistant Directors

Hello there Chapter "C" Wingers !!

To be or not to be— that was the question. When we joined Chapter "C" the answer was no. We didn't want any additional responsibility. After meeting so many quality people we decided that Chapter "C" was for us. It was an easy transition to be Couple of the year. Then onto various committees. And now Assistant Chapter Directors. With gracious help from members we have found it to be easier than anticipated. Chapter "C" has become our extended family. We encourage all members to do the same.

Step up and give of yourself. Make a suggestion, lead a ride, hold an office or whatever you can do. New ideas lead to new experiences. It is all worthwhile. Above all enjoy your motorcycle which is what brought us all together.

My Trailer Story

I have a 1999 Candy Apple Red Gold wing that I had turned into a 2003 Hannigan Tri-Car (half trike /half sidecar).

I had a clumsy heavy-duty aluminum trailer with heavy aluminum ramps which I had to handle every time I used the trailer, plus it only had two ramps and I needed three for my new Tri-car.

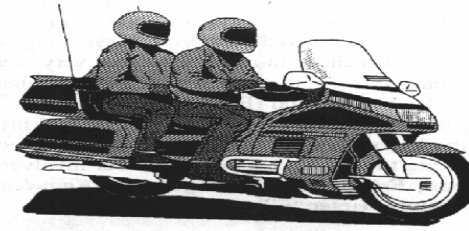

I ordered a custom built tilt trailer from a trailer company in Wilmington, Delaware. We drove two hours to Delaware to pick up the trailer. While the guy was hooking up the trailer, to my mini van, I ask how the trailer works. He said just pull the pin and the bed will tilt. After we got home , I tried the new trailer and it tilted only with weight on it and it wouldn't stay down. So it went back to Delaware.

My daughter, Debbie and her husband, Mark told me about a trailer Company in Greene, New York that would build me a custom tilt trailer; built to my specifications. So I ordered another trailer from Cross Country Mfg. I'm very satisfied with my new trailer. (see photo).

How Much Do You Know About Maryland?

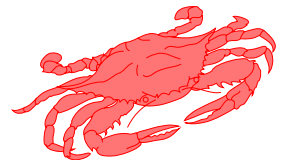

By Debbie Harvey

We are a Maryland Chapter. But, just how much do you know about Maryland? See how many questions you can answer.

1.) What caverns are near Boonsboro?

2.) What is the male crab called on the Eastern Shore?

3.) Because of death Threats, which President had to sneak through Maryland anonymously on the way to his Inauguration?

Answers 1) Crystal Grottoes
2) Jimmy
3) Abraham Lincoln

LOOKING BACK AT THE ORIGINAL GOLD WING

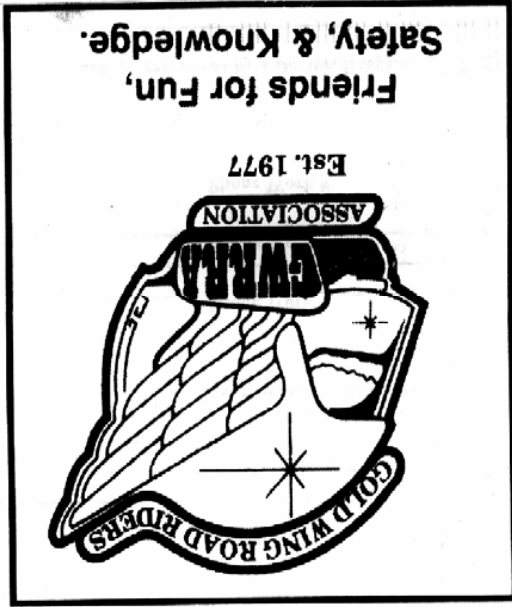

1975 GL 1000

The GL's original 999cc horizontally opposed four-cylinder engine featured liquid cooling, a first for a mass-produced motorcycle at a time when only exotic racing machines were liquid-cooled. The Gold Wing also featured a false fuel tank that contained electrical

Components and storage space, hiding its real tank under the seat, which lowered the bike's center of mass and contributed to its remarkably agile handling. Spoked aluminum rims were standard. Note the black exhaust system with chrome heat shields and tailpipes.

With high performance that rivaled anything on the market, and unparalleled long-distance ability, the Gold Wing revolutionized motorcycle design and almost single-handedly created the modern age of motorcycle touring.
