Hello Chapter C,

We found out in September that when you go on a scheduled ride you never know where you will end up! After our breakfast in September we were supposed to go to the Village Green for miniature golf. Instead the group went to Tuckahoe Equestrian Center for their Western Days Event. Carole Michaelson says she learned how to blow up a still and various other skills. A talent I am sure she will pass down to her Texas cowboy at the appropriate time! Thank you Dave and Serena for taking everyone.

The Cape May ride was cancelled. The length of the day ride was a concern and there wasn't enough interest. As it turned out it rained all day. Thank you Joan and Greg for suggesting it and I hope you will lead a ride next year.

LATEBREAKING NEWS!!!!!!! Lloyd lost the lucky horseshoe and our own Barb Jackson found it. She won the second place prize in Chapter I's Chrome and Crabs raffle. Barb received a check for \$100.00.

Dave Bohrer suggested a covered bridge ride on September 23 instead of Ocean City. Butch and Debbie Harvey went with them.

Our Wings over the Smokies gang went even though the forecast was rain off and on. Mike Nutter, George Heffner, Brian Davis, Barbara Smith and DJ Dave rode Deal's Gap three times. One of those was at night. They ate at the catfish place (of course)! Stopped at the jelly store (for Mike Nutter). And saw a lot of former Marylander's now North Carolinian's at the rally. Including Jeff Rhodes.

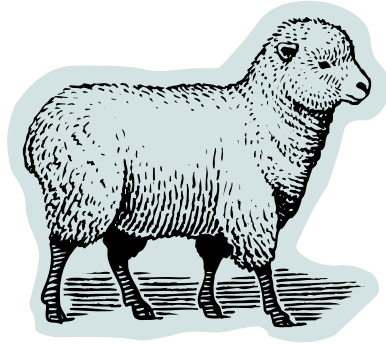

Just a reminder that after our breakfast in November we will have our ride planning meeting at Dave and Gloria's garage. Please put your thinking caps on and come up ideas for next year's schedule. We are looking for good chapter participation because we need YOU to complete the schedule that YOU want.

We will "C" you soon.

Lloyd and Cathi Anderson

On Sept 23rd Dave & Virginia Bohrer led a Covered Bridge ride to Frederick & Thurmont area. Even though Butch and I were the only ones to show up the four of us had a very enjoyable day. There is no one better to show you the back roads then Dave Bohrer. However due to the amount of sheep sightings on this trip I decided to change the ride from the cover bridge ride to the sheep herders ride. Dave was in his glory to see his girls grazing. They must of known Dave would be by because they were dressed up for him. They were wearing coats. (NO Lie) After eating at the Cracker Barrel in Frederick and no sightings of Joe & Barb we headed back. It was a nice ride thanks to the Bohrers.

How Much Do You Know About Maryland?

By Debbie Harvey

We are a Maryland Chapter. But, just how much do you know about Maryland? See how many questions you can answer.

- 1.) To whom did Maryland give land in 1791?
- 2.) What park near Hagerstown has a forty-two acre manmade lake?
- 3.) Whom did the Colts play in their first game?

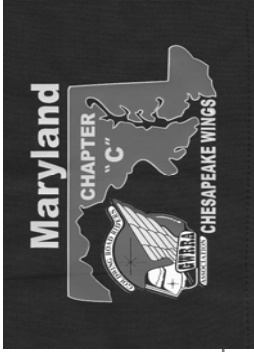

- 1) Congress, for the District of Columbia
- 2) Greenbrier state park
- 3) Brooklyn Dodgers of the All America Conference

11 Reasons

Motorcycles Are the **BEST** Vehicles:

- . \$10,000 of motorcycle will outperform \$70,000 of car.
- . You can fill up for \$7.
- . You almost never walk away from your car backwards.
- . You can identify every bike on the road at a glance---many of them by sound alone.
- . You can park almost anywhere.
- . You're not just seeing the scenery; you're part of it.
- . If you pack them in there just right, you can get six motorcycles in your garage in place of one car.
- . There are as many ways to make a bike your own as there are people.
- . Rat bikes are cool; rat cars are not.
- . You're the most maneuverable thing in traffic.
- . Downshift, throttle, *buh-bye!*
