

## Gold Wing Road Riders Association MD Region "B" Chesapeake Bay Chapter "C"

# May 2007

## Hello Chapter C,

Spring is finally here!

Our breakfast gathering in April was on Easter Sunday and about 15 members attended. A small turnout but not bad for a Holiday.

Ice Cream at the Dairy Queen in Golden Ring had a very small turnout. Barbara Jackson, Lloyd and myself. It was a cold night and we were happy it was inside seating.

Ten members visited Chapter B on April 16th. Butch Harvey took us out to Seat Pleasant on a rainy, windy evening.

Butch was the only person, including chapter b, who rode their bike. We all know, if we didn't before, that Butch is a die-hard rider.

Lloyd and I missed the garage meeting because we were playing Lumber Jack. Our beautiful 30 foot Bradford Pear tree went down in the high winds that we had that week. It took 30 construction clean-up bags to hold the branches. I now understand why the tree removal services are so expensive. It was a major undertaking.

Butch Harvey took about 12 members to Famous Dave's in Annapolis for dinner.

The ride for St. Jude's Hospital was disappointing. Jack Fox put a lot of work into it and about 20-30 people showed with Chapter C the largest group there. Mike Nutter won a St. Jude's hospital jacket, Gloria Pumphrey won a book and Lloyd won a gift certificate to a restaurant in Fredrick. Sometimes these things take time to build up interest.

Our Memorial ride had a smaller than usual participation. It was another cold and windy day. When we got to Rehoboth it was off and on showers as well. The Slick track closed at one point until it dried out enough to ride. It is too funny watching grown men ride those go carts like they are competing in the Daytona 500. Every year they get in and out of them with more difficulty.

Joy McClellan had her gull bladder removed and she is doing well. Give her a call if you get a chance. Joe Woodall, Barbara Jackson and Tom and Lisa Woodall went to Florida for a few days on their bikes. Lloyd's bike is having starting problems. Maybe a new battery is the answer.

Don't forget our Fund Raiser is coming up on June 16<sup>th</sup>. If you can help out that day please see one of us and let us know. We hope to see everyone participate in one event this summer.

**"C" you soon,  
Lloyd and Cathi**

# Tips for Touring Two-Up

*Motorcycling is a pursuit best shared.*

**Rider:** *Master your bike. As the captain you must have low speed maneuvers—U-turns, starting on hills, etc.—dialed. They're even trickier with a load. Take it easy in the corners. A loaded bike is less responsive, your suspension is more compressed and you have less clearance. Brake softly. Your stopping distance is longer than usual, plus hard braking is hard on passengers. Start extra slow and leave yourself plenty of margin for error.*

**Co-Rider:** *Hold on tightly. Grasp the rider firmly around the waist--definitely not the shoulders. When you're slowing down, use the grab rails. Relax and follow the lean of the bike. It helps to look over the rider's inside shoulder. Communicate. Work out signals to say, "I didn't like that" and "Let's stop---I have to pee." With communication headsets you can say whatever you want to each other. We'll leave that one up to you.*

*Keep in mind these tips apply to all bikes, not just Gold Wings!*
